

Do you enjoy networking with other local government risk professionals?

Are you interested in a wide array of risk issues?

Would you like an opportunity to learn from and develop best practice risk management systems, processes and procedures?

At RMAG we discuss, workshop and learn about a wide range of topics including, but not limited to:

- ▶ Liability risk management
- ▶ Business continuity management
- ▶ Aquatic risk management
- ▶ Emergency risk management
- ▶ Professional risk management
- ▶ Event risk management
- ▶ Bushfire risk management
- ▶ Organisational/enterprise risk management
- ▶ Property risk management
